

SkyLine

Operating column

The SkyLine operating column sports a clean and exclusive design. Its stainless steel housing makes it suitable for in- and outdoor building entrances, car parks and other similar applications. It can be equipped with a maximum of 4 modular OctoLine operating units (card readers, intercom systems, displays, ...)

- Column in 3 mm brushed stainless steel, Ø 150 or 200 mm
- Available in 3 standard heights: 1.2 m for cars, 1.8 m for pedestrians and 2.2 m for trucks
- The SkyLine column is provided with a base plate (Ø 210 or 280 mm) fixed to the underground with expansion bolts.
- Optional built-in lighting

Dimensions:

The SkyLine operating column is available with a locked vandal proof cap (optional)
