# FACILINE

ALPHATRONICS
innovators in access technology

FACILINE

Flexible. Strong. Fully customized

The FaciLine has been specifically developed for safe and neat pedestrian applications.

This robust empty housing with a sturdy mounting plate provides ample space to integrate your own equipment – from touchscreen and card reader to intercom or ticket printer. This way, you create a user-friendly registration kiosk that fits your project perfectly.

Benefits at a glance

- Flexible integration options
- Sleek and timeless design
- Sturdy, durable construction
- Easy installation and maintenance
